REQUEST FOR CORRECTION OF APPLICATION DATA
IN OFFICIAL FILE WRAPPER

Sir:

Applicant has reviewed the Official File Wrapper of the above-noted application using the U.S. Patent & Trademark Office's Public Application Information Retrieval (PAIR) system, and noted an error in the application data.

Specifically, the application data indicates that a claim for foreign priority under 35 U.S.C. § 119 is made to Japanese Patent Application No. 2002-228640. However, this is incorrect. Applicant does not claim priority to this Japanese application. No paper filed by

Applicant is believed to claim this priority. Instead, as expressly indicated in the Declaration filed February 27, 2004, Applicant does not claim priority to the Japanese application.

Accordingly, Applicant requests that the application data be corrected in the official file wrapper such that the indication of a claim for foreign priority is removed.

No fee is believed due. However, any fee required in connection with this paper should be charged or credited to Deposit Account No. 06-1205.

Applicant's undersigned attorney may be reached in our Washington, D.C. Office by telephone at (202) 530-1010. All correspondence should continue to be directed to our address listed below.

Respectfully submitted,
